Dear Sirs:

We are contemplating having some color engraving done for certain of our publications, and the Brett Lithographing Company has suggested your firm as possibly being able to meet our requirements. I should appreciate if you would have your representative make an appointment to call on me early next week - Tuesday next would suit me. My telephone number is Audubon 3-4141.

Very truly yours,

Secretary.

Attention of Mr. Loeb

Dear Sirs:

Thank you for your letter of February 3rd quoting on color prints for our publications. I am very glad to have your quotation and if you could conveniently do so, I should like to have specimens of your work which would compare with what we should use. The publication for which these sheets are intended will not come out immediately. What I desired was to obtain an estimate of the cost in case we should decide to have color plates in these monographs. I assume that your cost for a set of four plates would be one-half of what you indicated for a set of eight. Is this correct?

Very truly yours,

Secretary.
